

Trips and Visits

Y3 Rabbit class visit to Roehampton Library

Mrs Gibbs is busy booking trips and visits for the children to make this year. Trip and visits enhance the children's learning in many areas of the curriculum. We try to keep trips free where we can but sometimes we do have to ask for a voluntary contribution to enable the trip to take place. There is legal ratio of children to adults when going out on a trip, so we do ask for parents to come with us. We cannot go without you and we do appreciate the time you give to us to make these visits possible.

Please read trip letters carefully and keep the top of the letter at home with all the details. Return the permission slip to the office by the closing date, and remember to complete an additional form if you request a school packed lunch.

Illness

Is your child too poorly for school or nursery? Here is some advice from the NHS to help you decide.

High Temperature - Keep your child at home until the temperature goes away

Feeling anxious or worried - Bring your child to school and speak with a member of staff.

Coughs & Colds - with no temperature, send your child to school

Sore Throat - with no temperature, send your child to school

Vomiting & Diarrhoea - Keep your child at home for 48 hours after the last episode

You can also talk to your local pharmacist, call the NHS helpline on 111 or contact your GP for advice.

One of the most popular aspects of Place2Be's support is 'Place2Talk'.
