## The Alton News

Dear parents and carers,

Quality First

Education Trus

Thank you so much for your generous donations to Comic Relief's Red Nose Day. We have raised over £150. The children have enjoyed wearing red clothes and accessories and learned about how the money is used to help others in a special assembly.

#### Eid

Wandsworth council authorise one day's absence for our Muslim children to celebrate Eid with their families and communities. We are authorising Monday 31<sup>st</sup> March. If your child is absent on an additional day it will be unauthorised.

#### Year 5 PGL

The next exciting PGL trip to Marchant's Hill will take place in September when our current year 5 are in year 6. The £25 deposit is now due. We only have four children signed up, if we do not get more we will sadly have to cancel this trip.

### X @thealton

#### Parent Workshops and coffee Mornings

Dr Phoebe Wheeler from the Education Wellbeing Service would like to run some parent workshops and information mornings at school. She can talk about many subjects including:

Managing Big Emotions
Typical child development and behaviour
How to play effectively with your child
Managing friendships
Looking after yourself to look after your child
Supporting your child's anxiety
Managing transitions
Managing separation anxiety
Managing behaviour challenges
Sleep

Please use this link to let her know which sessions would be useful for you. We will also text the link to you.

#### Lateness at the end of the day

The school day ends at 3.15pm, please be on time collecting your child. We have a small number of families who are often late collecting their children which causes problems for staff who need to get to meetings and training sessions promptly at the end of the day. It can also be upsetting for your child.

Please allow plenty of time to make the journey back to school for 3.15pm each day.

#### **Nursery Offers**

We are sending out offers for nursery places starting in September 2025. If you have a friend or family member with a child born between 1<sup>st</sup> September 2021 and 31<sup>st</sup> August 2022 looking or a nursery place, do ask them to come and apply.

# Sight tests for children are **FREE!**

Short-sightedness is increasing, globally and in the UK. It is now twice as common as in the 1950s and children are becoming shortsighted at an earlier age.

 Over 20% of parents have never taken their child for an eye test
 It is also more common in children whose parents are short-sighted.

Children from South Asian and African Caribbean families also have a higher risk of developing short-sightedness.

The increase in close work such as reading, computers, small screens and spending less time outside has likely driven the rise in short-sightedness (myopia).

The College of Optometrists therefore recommend that children, particularly those aged 5 to 12:

- Limit screen time
  Spend at least 2 hours every day outside
- Spend at least 2 hours ev
  Have regular sight tests
- Have regular sight tests
  When on the screen or reading hold the

device or book at least 30cm from the face The only way to prevent myopia from getting worse is with corrective lenses. grateful that Elsie's vision was checked at school when she was in reception"
